INTERNSHIP EXPERIENCE

SPADE EMS, Gurugram Jun 21 – Sept 21	▪ **Web Development:** Assignment was to create and make changes in the SPADE EMS official and partner website. After a month of understanding, research & brainstorming, we identified changes required in the websites which we proposed to the group leader for changes. Many of the suggested improvements were approved for implementation by SPADE EMS. **Reported to Mr. Akhil S Nair, Co – CEO SPADE EMS**
Dhairya Decodes, Mumbai Dec 20 – Aug 21	▪ **Graphic Designer:** Assignment was to create social media post and creatives. First initial months were a basic exposure to understanding graphic designing tools, which helped brainstorm to have a basic market understanding about the cause. Many of my suggested ideas were approved for implementation by Dhairya Decodes. **Reported to Ms. Dhairya Gangwani, Founder**
